After a great week of camp last year, we look forward to seeing you and many other new faces again this summer for our 10th year of camp. Under the organization of Aaron Anstine, the Greenwood soccer coaching staff is looking forward to working with future soccer players and athletes of tomorrow. Our goal is to introduce the youth to a variety of fun soccer challenges with a focus on different skills, drills, and tactics of Greenwood soccer. Our coaching staff features: Greenwood's head and assistant coaches, Greenwood's junior high coaches, high school and college players, and past Greenwood soccer players.

Please understand that the weather can be unpredictable during the month of July. We will be holding camp rain, shine, or even in the extreme heat as we did in past years. Campers are welcome to drink, sit out, rest, or leave at anytime with a parent or guardian when weather or temperatures become extreme. If we have inclement weather, we will be waiting out any storms in the Greenwood Elementary LGI or gym until we can continue camp outside. **Note: Sneakers or indoor soccer shoes should be brought each day, just in case we need to hold camp inside.**
