

Please follow these steps to calculate: Marking Peirod GPA

**Potential Credits are hw much credit can be earned for a course during a marking peirod.

*** Courses must be completed for a full year credit to be awarded

Step #1	Multiply the Quarter Grade by the weighted value for the course.
Step #2	Multiply the sum of the Quarter and the weighted value for the course Potential Credit for the quarter to get the points earned.
Step #3	Add the total Potential Credits for the Quarter.
Step #4	Add the total Points Earned for the Quarter.
Step #5	Divide the total Points Earned by the total Potential Credits for the Quarter
Step #6	You now have the GPA for the current Quarter.

Please contact the guidance counselor if you have any questions about your child's GPA!
